SUPERINTENDENT-DIRECTOR'S MESSAGE

Congratulations to the Class of 85. You have now completed your four years of study here at Bay Path and received a high school diploma as well as a trade certificate that makes you proficient in both academic and vocational areas.

The Administrative and Teaching Staff have strived to provide you with the tools and skills necessary to make your entrance to a life-time vocation successful. You are now able to select a new path to follow which may be to pursue a college degree or to enter the world of work. If you wisely use the knowledge and skills that you have learned, you can only be successful.

Remember as you travel in your vocation, that Bay Path will always assist you in job application and the updating of your skills in our Evening School Programs.

Each of you, in some way, have contributed much to our school and we are proud of your accomplishments. On behalf of the School Committee, Administration and Faculty, I want to extend to you our very best wishes.

George L. Fowler
Superintendent-Director

DEDICATION

We the class of '85, dedicate our yearbook to Mr. Clifford Cloutier and Mr. Henry Sroczynski, as our way of thanking them for their patience, tolerance, and hard work. We appreciate their willingness to spend so many hours helping our class. We are grateful to Mr. Cloutier for doing such a wonderful job organizing our class activities over the past four years. Mr. Sroczynski was especially generous by accepting the not easy job of yearbookship. Our years at Bay Path were enriched by their involvement. Many thanks to both from all of us.

Sincerely,
Class of '85
